### YOUR WORSHIP IS WITHIN GOD'S PEOPLE

**spirit**

By Teresita Matos-Post, Executive Director

You can feel it, when the Spirit moves. One morning I was lured into the food pantry by the familiar sound of an alabanza\* my soul knows very well. “Milagroso, abres camino, cumples promesas, luz en tinieblas. Mi Dios asi eres tu.” “Way maker, miracle worker, promise keeper, light in the darkness. My God, that is who You are.”

There, working in full harmony, I found the team we endearingly call “Las Hermanitas”\*\*, a group of three biological sisters who worship at Nuevo Camino at Beth-El, along with two of their friends. I watched them work uninterrupted, gracefully packing food for those who are food insecure in our community. I couldn't stop myself from documenting that moment in a video.

I later showed them the video and asked them what it meant for them to serve at the food pantry during these uncertain times.

The faith community at Nuevo Camino elected not to congregate to avoid exposure to Covid-19. Your contributions will enable Rev. Tamara Leonard-Lara to continue offer much needed pastoral care to the families in our community.

“I feel good,” said Lupita, shared lunch together. They assigned each other what to bring and sat around the table to break bread. “It is truly a blessing to serve God doing good while serving the community,” adds Lourdes.

She continues, “We turn on the radio, and while we might not be reading Scripture, I feel connected to God through the work and the music.” Berta chimed in, “We are grateful God has brought us through healthy and able to serve.

It is truly a blessing.” In a time when we mourn the loss of being able to congregate to worship as we once did, the vision of “Las Hermanitas” packing food for those who are food insecure, while singing a song of worship, reminded me that church is much more than just an event on Sunday mornings. It is truly a choice and a lifestyle that is practiced everywhere.
